COVID-19 UPDATE RETURN TO PLAY - PLACEHOLDER

With many parts of the province moving to stage 3 of the emergency measures, the good news is bowling facilities within those areas are now able to re-open. Hopefully the complete province will be in stage 3 in the very near future and all bowling facilities will once again be open for business.

We encourage everyone to frequent the bowling facilities at your convenience and please follow all requirements as mandated by the governments or the local facilities themselves. Each and every bowling centre will have its own unique requirements for safe use of their facilities and please note that not all services will be available upon the first opening.

The O5PBA Return to Play policy is for members of the O5PBA but can be used by anyone who will be attending bowling facilities in the near future.

The official Return to Play policy will be posted shortly, for now please refer to local government documentation and your local proprietor on safe use of their bowling facilities.

Hopefully we will be able to return to league and tournament play in the fall.

Enjoy the bowling facilities and show your local proprietor how much you appreciate the sport of 5 and 10 pin bowling or any other forms of indoor bowling.
