## Snap Publications

We wanted to make you aware of a "free" promotional vehicle that you can utilize to promote bowling events in your region.

SNAP is an organization that specializes in community based advertising, public relations, networking and marketing initiatives.

They publish a monthly periodical called "SNAP" which is distributed to local restaurants, banks, retail outlets, etc.

If you notify them of an event you are running, i.e. "KHP Bowlathon", they will send out photographers to the event and publicize it. You could also have them come out to your tournaments and take pictures of the winners and these will be published.

There are a number of ways to utilize their services and it is absolutely "FREE" to the consumer. They make their revenues from local business advertising.

Visit their website at [www.snapnewspapers.com](http://www.snapnewspapers.com) for a list of the 46 Ontario locations.

## Thought for the Day

Twenty years from now you will be more disappointed by the things you didn't do than by the things you did.

So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails.
