FOR IMMEDIATE RELEASE

OTTAWA – The Canadian 5 pin Bowlers' Association (C5PBA) and Special Olympics Canada (SOC), today announced a partnership with each other to enhance the sport of 5 Pin bowling in the areas of participation and coaching.

The Canadian 5 Pin Bowlers' Association is a service oriented sports organization of approximately 30,000 male and female 5 Pin bowlers. It provides quality programs and services to its members for their participation in organized 5 Pin Bowling. The Canadian 5 Pin Bowlers' Association regulates bowling systems resulting in standardization within the sport. The aim of the Canadian 5 Pin Bowlers' Association is to promote, to foster the integrity of, and to enhance the enjoyment of 5 Pin Bowling as well as to instill a pride of membership in its members. As a result of the partnership, these associations can quickly and easily connect to resources and distribute their sport and expertise Canada wide to approximately 65,000 participants.

Special Olympics Canada, one of 170 programs within the worldwide movement, is dedicated to enriching the lives of Canadians with an intellectual disability through sport. It is a national, non-profit grassroots organization that provides sport training and competition opportunities to more than 34,000 athletes of all ages and abilities. More than 16,400 volunteers, including over 13,000 trained coaches, currently support Special Olympics programs every day in virtually every community nationwide.

President of C5PBA Mr. Dave Post commented, "We are entering a new and exciting time for 5 Pin Bowling with this partnership with Special Olympics. It will benefit both organizations. The sharing of technical knowledge will help promote the game of 5 Pin Bowling and, at the same time, our fundraising will help more Special Olympic athletes get involved in sport."
