## Coaching Program Reminder

All Full Level 1 coaches have until December 31, 2013 to receive equivalency for the Community Coach program. To achieve accreditation, a Level 1 coach must complete the Making Ethical Decision module to obtain Community Coach equivalency.

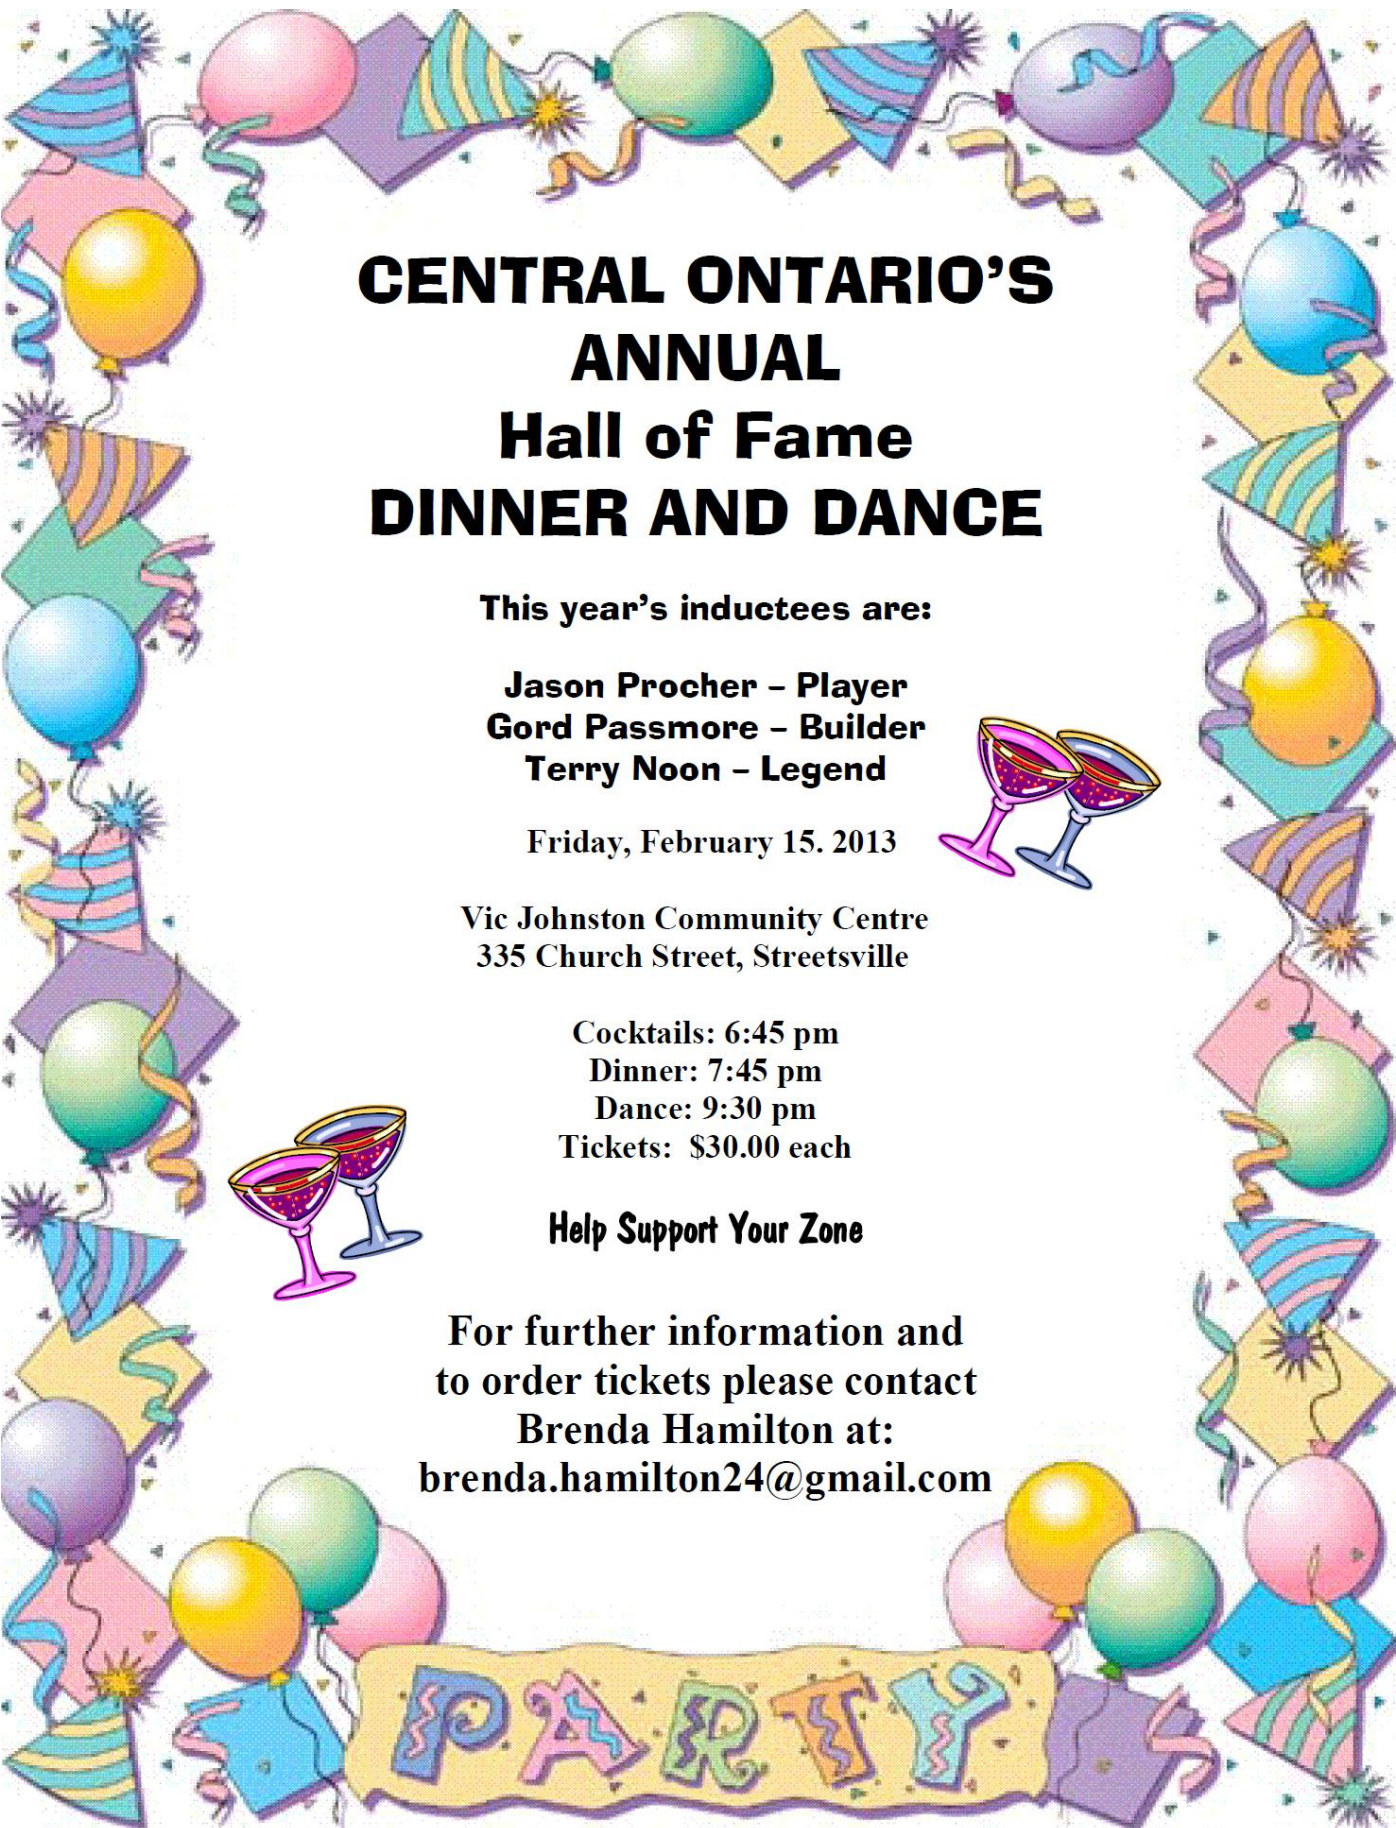

This can be done by:

- Taking the 1-1/2 hour MED portion of a Community Coach course.
- Take Part "A" of the NCCP course taught at various community colleges.
- Take the on-line Making Ethical Decisions module for a Community Coach. To complete this you must go onto <http://www.coach.ca/s13846> the Coaching Association of Canada website. Here you will click on Make Ethical Decisions Online Evaluation: Competition - Introduction. You will need to supply your name and CC# and you will receive via email your password. When you have received your password, go back and complete the module.

## YOUTH & VOLUNTEER INVOLVEMENT

At our Semi-Annual meeting you were given copies of the notes from the two seminars we held at Convention last year on Youth & Volunteer Involvement. We had asked that you submit your top 5 priorities on both the Youth and Volunteer involvement from our notes, so we could focus on initiatives you think are important for the betterment of our sport.

To date we have only received communication from 2 Zones and 1 DC. Please help us help you and our sport by sending us your list as soon as possible. Please send to [brendahamilton@o5pba.ca](mailto:brendahamilton@o5pba.ca). If you need another copy, please request via email to me and I will send to you.
