Ontario Open Championships Survey

The Ontario Open Championships survey is here!

If you participated in the Open/Senior Open Championships this year, either as a competitor at the Provincial Championships or tried to qualify for a team, your feedback is greatly appreciated.

We are using the free service of surveymonkey and as such can only accept 100 responses. Once this survey fills up we will post the same questions as a second and if required third or fourth survey.

Your feedback will help the delegates at this year's Annual Meeting in June to make changes if required to the Open & Senior Open Championships.
