Ontario Open Championships Survey

As discussed at our discussion forum at Convention, we are using the free service of surveymonkey and as such can only accept 100 responses. Once this survey fills up we will post the same questions as a second and if required third or fourth survey. To date we have only received 61 responses.

We ask all Tournament Directors to contact their Open bowlers to ensure they are aware of this survey and encourage them to complete it.

There are questions on this survey relating to the Wild Card tournament and a motion has been tabled to the SAGM in regard to cancelling this event. We need input by the people who actually participate in the Open to obtain their opinions and insight before a decision is made on the future of the Wildcard event and other aspects of the Open Championships.

Thought for the Day

Learning is experiential. You don't learn anything from listening or watching – you have to do it! You must have desire and willing to try. And always, always remember: when you are cooperative, coachable and enthusiastic, anything is possible.
