Annual General Meeting

The Annual General Meeting that took place from June 19 – 20, 2015 at our new venue, Fern Resort, was very successful.

After many hours of great discussions and debates, some positive motions and recommendations came forth from the field. We, as your board of directors, are committed to following up on all of the motions and recommendations that were put forth.

All ratified motions and recommendations are included in the discussion forum and general meeting minutes. These will be posted on our website later this month, under Other Events/Convention2015.

Thanks to everyone again for great discussions and input at our AGM.

Upgrade of Level 2 Coaches

Please keep in mind that anyone with the old Level 2 coaching designation, must upgrade to the new Introduction to Competition by December 31, 2015.

Full instructions to complete the upgrade can be found at www.o5pba.ca under coaches corner.

There will be some MED only portion of the Introduction to Competition course run in the fall. We will advise you via this newsletter, facebook and our website when these are scheduled.

Bowling School

We are happy to announce that we have 48 students registered for the Bowling School and now have 7 people on a waiting list. We are striving to find one additional participant to bring the number to 8 so that we can include all of them in the school. We are confident we will be able to do this.
