Senior Open Provincials

It has come to our attention that there is some confusion as to the use of the sixth bowler on the Senior Open Mixed Team. The Senior Open Team will run the same way as the Regular Open Mixed Team as far as substitutions are concerned. We were remiss in not outlining this in the Green Book, and it will be changed for next year. In the meantime, please see below the rule for the Regular Open Teams:

Rule 22. *Substitutions may be made at any time, but the bowler being substituted may not bowl again in the same game. One (1) substitution per game shall be allowed in the Seniors team event.*

Rule 23. *If the starting bowler is ahead when a substitution is made, the starting bowler gets credit for any match point won. If the starting bowler is behind when a substitution is made, the substitute bowler gets credit for any match point won.*
