ORIGINAL BUFFALO WINGS

We start with the freshest (never frozen) chicken. Next, we deep fry it in trans-fat free canola oil at an extreme heat to sear in the flavour. Every 15 minutes our oil is purified so every single order is fresh. And of course we use Mother Teresa's original sauce.

It's legendary!

WOOD FIRED PIZZA

Our wood fired pizza is amazing!

The cooking surface of our oven is between 500-600 degrees, the upper chamber can reach over 900 degrees. The intense heat provided is very dry which is perfect for quickly sealing in flavours.

Everything is better Wood Fired!
