## Annual General Meeting

The 50<sup>th</sup> Annual General Meeting of the Ontario 5 Pin Bowlers' Association took place from June 16 – 19, 2016 at Fern Resort in Orillia, for the second year. We would like to thank them for contributing to the success of our 50<sup>th</sup> AGM.

Having said that, it is the volunteers out in the field that made this AGM the great success it was. Many hours of great discussions and debates resulted in some very positive motions and recommendations coming forth. We, as your Board of Directors, are committed to following up on all of these motions and recommendations that were put forth.

All ratified motions and recommendations are included in the discussion forum and general meeting minutes. These will be posted on our website when we go live July 31, 2016. You will find these under Other Events / Convention 2016.

We trust everyone arrived home safely and that you all enjoyed Father's Day with your families. We would like to reiterate again that we need this input and feedback from you, the volunteer, as to what is happening in the field. The O5PBA and all Zones and D.C.'s have the same common goal of keeping this Association one of the best PSO's in Ontario.

## Claudina Sula (Lista)

On June 2, 2016, Claudina Sula (Lista) was inducted into the Mississauga Sports Hall of Fame as Female Athlete of the Year. Claudina was a long standing member of the O5PBA. See below for the write-up for Claudina that was published in the program.

*"Claudina's athletic endeavours began with baseball and progressed to bowling once her talent was discovered by Ted Woodhouse, her coach, who also ran the Lakeshore Lanes. After years of practice as a youth, her career took off in her early adult years. She won countless Provincial and National titles, and is proud of her Canada Winter Games in 1983. She was also the youngest member of a Canadian team that qualified for the first International Small Ball Championships in 1980, which were held at the same site as the Thrilla in Manila. Over her career, she established several records, including the highest five-game score for a woman in Canada, a mark that still stands today. She was inducted into the O5PBA Hall of Fame in 2011 and helped organize the Ontario Bowling School, which has now been running for 25 years. The school still gives an award named after her each year."*

## National Open Championships
