O5 Office Christmas Hours

December 23, 2020 – January 4, 2021

Christmas 2020 will be very different for all of us as we continue the battle against COVID-19. But let's not have this virus dampen our Christmas spirit and the joy we reap in celebrating this time of year with our families. Albeit they may be smaller groups, depending on where you live in the Province, because we still need to be cognizant of the recommendations set out by the Minister of Health to keep everyone safe so we can enjoy future normal Christmases together. The Board of Directors and Office Staff would like to convey our Best Wishes to you and yours for a Very Happy Holiday and a safe and prosperous 2021.

C5PBA Press Release

In a recent press release the C5PBA posted on their FaceBook page that a decision was made to cancel all in-person National Events for the 2020/2021 bowling season.

It remains their goal to conduct the Youth Challenge, Inter-Provincial and Open Championships virtually so as to not require any unnecessary or out of province travel.

Frameworks will be prepared to run these events virtually for their 2021 SAGM in mid January, at which time the C5PBA, in consultation with the delegates in attendance from all of the Provincial Member Associations, will make a decision to proceed with the virtual events, or to formally cancel all events (both in-person or virtual) for the 2020/2021 season.

Intro to Competition Evaluations

A letter was recently sent to all Coaching Coordinators with a listing of those individuals that have not yet completed their Intro to Comp Evaluation. An Evaluation Registration Requisition form was also attached.

All Coaching Coordinators **must** contact all coaches that require to be evaluated. As per the C5PBA, anyone trained prior to June 30th, 2018 is required to complete their evaluation prior to June 30th, 2021. If not completed by that date, the original fee they paid will be forfeited and they will be required to pay an additional fee, price set by the C5PBA, to be evaluated.

Anyone trained July 2nd, 2018 and onward, will have 3 years from the date of their training (Intro to Comp) to complete their evaluation, otherwise, their fee will be forfeited and they will be required to pay for an evaluation.

Please contact the O5 office to schedule an evaluator.

Membership

Each member will not only be required to complete a Membership Application Form but **must** complete the COVID-19 ASSUMPTION OF RISK AND WAIVER OF CLAIMS AND LIABILITY AGREEMENT. Current membership will be extended to March 1, 2021.

Please note: if these are not completed and submitted to the local association, we cannot accept your membership for the 2020-21 season.

Our IT Chair and Committee are diligently working towards an electronic version of the Membership Application Form and are very close to completion.
