

O5 Press Release – Covid-19 Update

FOR IMMEDIATE RELEASE TO O5PBA AFFILIATED MEMBERS

January 9, 2021

COVID-19 UPDATE

RE: 2020-2021 O5PBA Tournaments

Happy New Year! We hope everyone remains safe during these trying times.

Due to the current COVID-19 pandemic measures in place and the unlikeliness of there being a major change in the near future, the Board of Directors has been reviewing our schedule of events for the 2020-2021 season. Along with feedback from the affiliated Zone and DC presidents, the difficult decision was made to cancel all remaining scheduled face-to-face events.

The mail-in tournaments created at the beginning of the season will continue as long as the members have the ability to participate in the events in their local bowling centres.

Keep safe, healthy and please stay home for now. Hopefully we will be back on the lanes sooner than later.

Board of Directors
Ontario 5 Pin Bowlers' Association

We will issue a second January newsletter following the completion of the C5 SAGM virtual meeting on January 23rd, to share any new information that may arise from that meeting.
