

O5PBA Membership for Zone/DC Executives

As discussed at the President's Meeting on January 9th, 2021, this is an important reminder to those Zones and D.C.'s that have not registered their Executives to please do so.

Associations have already submitted their executive listings so you should review the list and register your board members, if they have not already been registered via a league. **To represent your Association you need to be a member in good standing and that entails being a registered member of your organization.**

A Membership Application Form **must be completed** as well as the COVID-19 ASSUMPTION OF RISK AND WAIVER OF CLAIMS AND LIABILITY AGREEMENT.

2021 Bowling School

The O5PBA has made the tough decision to cancel the 2021 Bowling School. With the uncertainties as to when vaccinations will be available to the general public, we want to ensure that our kids and bowling school staff are safe during these challenging times.

We look forward to operating the Bowling School again in July of 2022.

Elimination Draw Tickets

As of this date we are sitting with over 100 tickets sold for the Open Elimination Draw. There are still Zones out there selling them. If your Zone or DC has unsold tickets that you are not going to sell, please contact charlescooper@o5pba.ca.

The draw will take place at the AGM in June, or sooner, if tickets have all been sold before that date.

Tournament Directors Recertification

This is a reminder that Tournament Directors that require recertification have until the 2021 AGM to get this completed.

E-Transfers to O5PBA

Please ensure that when sending e-transfers to the office that you state in the message section, what the payment is for. This will avoid any confusion and the possibility of it being credited incorrectly.
