

## Record Scores Program

At the C5PBA Annual General Meeting in Ottawa held this past August, it was voted on and ratified that the record scores program shall now include scores from bowlers playing in registered leagues who bowl two frames at a time. Below is the actual motion that was presented by P.E.I.

**“In leagues where players bowl 2 frames per turn.** The team on the left side of the score sheet shall roll their first 2 frames on the odd numbered (left) lanes and their 3<sup>rd</sup> and 4<sup>th</sup> frames on the even numbered (right) lanes, the 5<sup>th</sup> and 6<sup>th</sup> frames on the odd numbered (left) lanes and thus alternating until the end of the game. The team on the right side of the score sheet will start play on the even numbered (right) lanes, and also continue to alternate lanes until the completion of the game”.

**This is retroactive back to September 1, 2016** and will be incorporated into the current record scores categories that already exist. They are not creating a separate record scores program for those leagues that bowl 2 frames at a time..

## A Public Announcement from the Niagara Peninsula Zone

Jeff's Bowl-O-Rama hosted a tournament on January 28 to raise awareness and money for the Knockdown Cancer program.

With the help of bowlers and sponsors, they raised \$7,700 that will be donated to Brain Cancer in memory of Bill Miller.

On February 10, Jeff hosted the same event at Mudcat Bowl in Dunnville. They had 3 full shifts at this 10 lane centre, and they are still tallying up the money.

Niagara wanted to thank Jeff Ellis, his staff and volunteers that helped, to make people aware of 5 pin bowling by raising money for this great cause.
