Remembering Harold Stoddart

June 16, 1936 - August 4, 2022

Harold joined the Canadian Air Force in 1954 and served for 32 years. As part of basic training, cadets were offered some sports options and 5 Pin bowling was the game of choice. Harold volunteered to look after the bowling activity and so began his involvement in 5 Pin bowling.

In 1977 Harold was appointed manager of Astra Lanes on the base at Trenton. This centre became a DC under the umbrella of the O5PBA. He was also President of the Bay of Quinte 5PBA on two separate occasions.

Harold joined the O5PBA Board of Directors in 1996 which led to a tenure of 16 years as a Director when he stepped down in 2012. In his latter years on the O5PBA Board he was the Provincial Tournament Director, and I'm sure many of you will remember him when at the Open and the many other O5 tournaments keeping everyone organized military style. When he inadvertently missed a tournament, he acquired the rank of "Captain AWOL".

In 2005 Harold was recognized with Life Membership to the O5PBA and in 2006 was inducted into the O5PBA Hall of Fame as a Builder.

Harold, with his late wife Donna, had 5 children, Beth, Dale, Carmen, Patrick and Michael. He will be missed by his wife Sheila, his children and extended family, and his many friends.

Lane Certification

This is a reminder to all Lane Certification Agents, that this year, Proprietors are again required to pay for their lanes to be certified. Minimum charge is \$6.00 per lane to a maximum of \$8.00 per lane. In the 2021-22 season, lanes were certified at no charge to the Proprietor, as a special consideration to help them get back on their feet due to closures resulting from the pandemic.

The deadline is September 15th to have lanes for all Zones and DC's certified and paperwork into the O5 office.

For any Zones without a Certified Agent, and are looking for someone to certify their lanes, please contact Neil Anderson at bowled405@yahoo.ca and one will be assigned to your Zone for this upcoming season.
