## Ontario Open / Senior Open Declaration Clarification

At the AGM in June a motion was approved regarding the declaration rule:

**"Remove the Declaration Rule. Bowlers will be eligible to bowl in a zone if they have a rolling average in that zone with a minimum of 50 games over 3 years, as published in the average book and on the O5PBA site every year".**

The information stated in the Green Book is incorrect as this was overlooked in error when changes were made and is no longer a requirement. **If you purchase a membership card in the zone that you wish to bowl in and meet the average book requirements as stated above, you may bowl where you choose.**

**Coaches put on the list to be chosen as a coach for the current season, must have purchased a membership card for the Zone they are representing by October 31, 2022.**
