RECORD SCORES SET-UP

RECORD SCORES PROCEDURE

The following instructions are to be observed by the League Secretary in order to properly initiate the Record Scores Program in their respective leagues.

1. At the conclusion of the bowling season, each League Secretary should complete an Individual and Team Report Form filling in the highest scores **(without handicap)** for all categories that apply. **(See Individual Record Score Report Form and Team Record Score Report Form)**
2. League Secretaries should make sure that the bowlers' membership numbers are listed on the Individual and Team Report Forms.
3. When submitting individual record scores for **NEW BOWLERS**, the League Secretary should provide their twenty-one (21) game average. This will eliminate the possibility of a bowler being put in the wrong average classification.
4. The reporting forms are to be completed and forwarded to the Record Scores Chair in your Local Zone or Decentralized Association no later than **JUNE 1, 2023**.
5. From these scores the Record Scores Chair shall select the highest scores for all categories. These scores shall then be entered and posted on their respective score boards.
