Woodward Meats

We have partnered with Woodward Meats, a premium meat supplier to top restaurants and hotels in the GTA on this initiative. Woodward Meats is a family owned, local Oakville business that has established a reputation for offering exceptional meats and unique offerings from both locally and from around the world. Their impeccable commitment to quality and service has also launched a successful public following and their products are particularly great for families!

FlipGive

We have also partnered with FlipGive. This partnership supports all shoppers. When people take advantage of the offers or shop through the FlipGive website or app, a percentage of all sales are shared with O5.
