

Annual General Meeting

The 59th Annual General Meeting is being held once again in person at Fern Resort in Orillia June 20 – 22, 2025.

There is a Strategic Planning Seminar scheduled for Friday, June 20, 2025 at 10:00 a.m. with General Meeting #1 taking place after lunch. We look forward to everyone attending this seminar so we can plan our future together. Your participation and points of view are a valuable asset in this process.

We encourage you to have discussions with your members to get their input regarding motions and recommendations that will be put forth at this AGM. Remember, the delegates attending this Annual General Meeting are representatives of all Zone and DC association members in this province, and all voices and points of view should be heard.

We look forward to seeing everyone in June and being fully prepared to discuss the business at hand.
