Re: Rule Book Additions

The following addition has been incorporated since the printing of the Rule Book in 2023, regarding the use of Bowling Balls, as changed at the C5PBA Annual General Meeting in August.

Section B Rule 24(d)-Bowling Balls (use of):

Original Rule: "Personal bowling balls must be engraved with identifying letters or symbols for ball registration and identification purposes".

New Rule: "Personal bowling balls must have distinguished markings with identifying letters or symbols for ball registration and identification"

No longer does the personal bowling ball be required to be engraved. Distinguished markings could be a magic marker or nail polish.

Yours in bowling,

O5PBA
Board of Directors
