March 2, 2026

Dear Coach:

The Ontario 5 Pin Bowlers' Association would like to congratulate you on your selection as a coach for the 2026 Ontario Open and Senior Open 5 Pin Championships. In addition, we also want to recognize those individuals who have accepted the role as assistant coaches for these Championships.

Each of you as a coach, is guiding a team towards the ultimate goal of becoming Provincial Champion or even National Champion. The O5PBA wants to once again thank all of you for your commitment to these objectives.

We want to thank Echo Bowl for hosting the Open Men's and Ladies Singles. This year both Echo Bowl and C & D Lanes will be hosting the Open Men's, Ladies and Mixed team events. Once again, Mike's Lanes will be the host centre for the Senior Open teams. Dave Bentley, Carol Skillings and Joe Shaw, along with their staff, are working hard to provide us with what should be excellent lane conditions.

To assist your coaching effort, questionnaires will be available to you and your bowlers and these comments will assist your evaluation of this coaching experience.

I look forward to seeing all coaches at the Coaches' Meeting via ZOOM on either Sunday March 22nd or Monday March 23rd at 7:30 p.m. You will be receiving an email, prior to the meeting, with the link information to use to log into the meeting. Attendance will be taken to ensure that all coaches have attended one of these meetings.

In closing, we congratulate you once again on your selection.

Yours truly,

Mike Kyte

Mike Kyte
O5PBA Tournament Director

Dear Coach:

On behalf of the Board of Directors of the **Coaches Association of Ontario (CAO)** and the **National Coaching Certification Program (NCCP)**, I am thrilled to congratulate you on your selection as a coach for the **2026 Ontario Open/Senior Open 5 Pin Bowling Championships**. Coaches are the backbone of the Ontario sport system. Your influence extends far beyond the lanes, shaping the character and resilience of athletes both in competition and in life.

The unwavering commitment you demonstrate—often behind the scenes—is the fuel that allows our provincial athletes to reach their highest potential.

#ThanksCoach

EXPLANATION OF EMERGENCY SPARE

1. If a replacement bowler is unable to compete at the Provincial Championships, a Zone may designate an **EMERGENCY SPARE**. The name of the emergency spare (one man and one lady) **MUST BE SUBMITTED TO THE TOURNAMENT COMMITTEE IN WRITING** at a coaches' meeting, or the team goes without for the remainder of the competition. Emergency spares must have entered the Zone finals and must be in a shirt of their Zone colour and identification.
2. A replacement bowler or emergency spare cannot be included in the team's starting line-up for the bowler's **FIRST GAME ONLY**. If the team advances to the National Championships, the replacement bowler or emergency spare shall be deemed to be an original qualifier.

ONTARIO OPEN AND SENIOR OPEN 5 PIN BOWLING CHAMPIONSHIPS

COACH INSTRUCTIONS

In order to guarantee that the scoreboards and computer statistics reflect the bowlers' scores exactly as they have been bowled, we ask that each coach ensure that the following procedures are maintained throughout the tournament:

- A. Each coach will be issued an “**OFFICIAL LINE-UP FORM**” (see attached) for each game that they are the “AWAY” team and who will be required to put their starting line-up DOWN FIRST. **NEW THIS YEAR: All six (6) bowlers will be listed on the line-up forms, for both teams. All you have to do is put in 1 through 5 in the box on the left column, beside the corresponding bowler.** It is the responsibility of the visiting team coach to have their line-up completed and available to the home team coach within five (5) minutes commencing when the last team finishes within the division or the visiting team will lose a match point by the Judge of Play for delay of game. **DO NOT LOSE THESE FORMS AS THEY ARE THE ONLY ONES THAT WILL BE ISSUED TO YOU!**
- B. This form will be the official line-up for each game and will be used to change the line-up at the start of each game on the computer scoring system. Once the “AWAY” team has put down their line-up, the sheet will be given to the “HOME” team coach for the completion of their starting line-up. Please ensure that the line-up form is completed as per the example attached.
- C. When a substitution takes place during a game, place an “S” in the box adjacent to the bowler being replaced. **Please Note: To help calculate the scores for bowlers and their substitutes, a coach MUST indicate in the “frames column” the # of frames and the score bowled for those frames (e.g. 7 – 75) (See example).**
- D. The total number of frames bowled is to be marked in the “frames” column and the total of the frames **MUST EQUAL “50” including the frames bowled by the substitution.**
- E. The total game score will be placed in the score column for the starting line-up. When a substitution has occurred, the total game score should be placed against the bowler who started the game. The scoring for the “substituted bowler” will be the number of frames bowled and the score he/she received for those frames only.
- F. At the end of the game, please mark the match points received for each bowler in the Points Column. Repeat the same procedure for the Team Pinfall Total. Record the total number of points earned by your team for that game.
- G. Make sure the coach of the “OPPOSING TEAM” signs your sheet and vice-versa. **LEAVE THE OFFICIAL SCORESHEET ON THE SCORE DESK.** Score sheets filled out improperly or not signed will result in an initial warning. A second offence will result in a final warning being given. For each additional infraction, a one (1) point penalty will be assessed against the team. A tournament official will pick up the sheet after each game. Please take your remaining LINE-UP sheets with you for the next game.
- H. Any bowler not present for their turn in corresponding order, once the game has been started by the Judge of Play, will face a zero score for that frame.

The coaches will be responsible for the accuracy of their bowlers' statistics (i.e. number of frames bowled and the scores obtained for those frames). The statistics produced at these championships and any record scores achieved by the bowlers, will be based on the information provided by you. Please ensure that the scores are printed legibly so that the computer operators can record the correct scores.

THESE PROCEDURES ARE NECESSARY FOR THE CORRECT RECORDING OF POINTS AND SCORES TO THE COMPUTER OPERATORS. YOUR ATTENTION TO THESE PROCEDURES IS EXTREMELY IMPORTANT! THANK YOU FOR YOUR ASSISTANCE AND COOPERATION.
