

## **MOTIONS AND RECOMMENDATIONS PERTAINING TO FINANCE**

### **MERIVALE 5 PIN BOWLERS' ASSOCIATION**

#### **RECOMMENDATION**

It would be beneficial to the Zones and DCs if all types of membership fees and assessments have the HST included in the budgeted number. This would make everything a wash; revenue that comes in on behalf of the O5, is the same as what is paid out to the O5.

That is not to say we just increase the number to add in the HST. I think that with some thought we can find a way to do that without increasing membership fees and tournament fees. Maybe it's a case of reducing the tournament payouts.

#### **MOTION**

If a Zone or DC pays to advance additional teams or players to a provincial event, and that person/team withdraws more than seven (7) days before the event takes place, there should be no administrative fee assessed to the Zone/DC.

#### **REASON**

Our Zone is being assessed a 20% administrative fee for one of our teams withdrawing from the Holiday Classic, 15 days before the Provincial event. We don't believe this should happen, as it is not in any rule or policy that we are aware of. Further, a team was found to replace the team that withdrew, from another Zone. Finally, buy-in teams are assessed lineage and some travel equalization, which isn't paid out until after the event. There is no out of pocket money to assess an administrative fee.
