

Dear Coach:

On behalf of the National Coaching Certification Program (NCCP) partnership, I would like to congratulate you on your selection as a Coach in the Ontario Open 5 Pin Championships.

The time and dedication you have put into both coaching and furthering your education are what make amateur sport a great place to be. As a coach, your expertise goes beyond developing the technical skills of your athletes. Your role inspires, challenges, and motivates and ultimately impacts the lifelong development of the athletes you work with as individuals.

A great coach recognizes winning performances are a noble goal, but the journey and the process of improving fundamental skills are of equal value.

The Coaches Association of Ontario (CAO) is a multi-sport organization dedicated to bringing coaches from different sports together; creating training opportunities and help you meet the increasing demands of coaching.

Through the CAO, the Government of Ontario supports your efforts to be a prepared and knowledgeable coach by subsidizing your participation in like NCCP workshops, conferences and webinars. We encourage you to take advantage of these opportunities through www.coachesontario.ca

I thank you for your leadership and wish your team the best of luck!

Sincerely,
