

ONTARIO 5 PIN BOWLERS' ASSOCIATION

CRITERIA FOR DUAL INDUCTION COMMITTEE

The **Dual Induction Committee** was formed in 1999. **Members** were selected for objectivity and their experience as either builders and/or players already in the Hall of Fame. **Original members** selected were Bob Coulter (Chair), Bert Garside, Fraser Hambly, Sid Morris, and Evelyn Wood.

Theda Procher was selected to replace Evelyn Wood in 2002. Walter Heeney was selected to replace Bert Garside in 2005. Betty Jones was selected to replace Theda Procher in 2008 and Ernie Roggie was added to the Dual Induction Committee that same year. Don Walker replaced Ernie Roggie in 2011 and Sid Morris resigned that same year and was never replaced. Therefore, the Dual Induction Committee is now comprised of Bob Coulter (Chair), Walter Heeney, Betty Jones, Fraser Hambly and Don Walker.

The Dual Induction Committee will serve as **a sub-committee** of the Hall of Fame Committee and will report to the Hall of Fame Committee.

This committee will meet **annually** to research and discuss potential candidates for the rare honour of a dual induction into the Hall of Fame.

Potential candidates must meet all of the original "Selection Criteria" as outlined in Point 4 of the Hall of Fame Selection Criteria and must have an appropriate induction **application on file** with the Committee.

The Dual Induction Committee will recommend a candidate for dual induction to the Hall of Fame for each Hall of Fame dinner.

That candidate, if approved, will be honoured at the following Hall of Fame Dinner.

Instead of presenting a plaque, the Board approved the suggestion of having a small diamond placed in the member's Hall of Fame ring (in the middle of the bowling pin) to signify dual status.

The attached is the present list of potential nominees.
