September 2015

Welcome to a new and exciting season of bowling!

Life Membership is bestowed upon volunteers who have extended themselves on behalf of our sport, far beyond the reasonable call of duty. Life Members are elected by the Board of Directors of a Zone or Decentralized Association and are entitled to have their Membership dues waived from the date of appointment as a Life Member until they become deceased.

This honour is not to be taken lightly, as it is the responsibility of the Zone or Decentralized Association who have bestowed this honour, to cover the membership cost, whether they are active in the bowling community or not.

This season we would like all Zone / Decentralized Associations to report their Life Members in the same manner.

Please send a list of all your Life Members to the office separately, similar to a League. We will also be assigning incentive points to this initiative.

Contact the O5PBA office to update and/or verify our list of Life Members. The list can also be found on the O5PBA website.
