MEMBERSHIP PROCEDURES

Upon receipt of your league membership list and membership application forms from the Zone or Decentralized Association Membership Chair, the League Secretary shall follow the instructions as outlined below:

- Members who no longer bowl in your league should be marked off by a **BOLD LINE** through that member's name.
- **Each person seeking membership must fully complete a Membership Application Form.** (The information captured on this form is in compliance with the Ontario Governments request for us to report participant information.)
 - Important to note there is an optional self-identifying section on the form due to the Government asking for statistics in 6 areas (New Canadians, Women or girl, Athlete with disability, Indigenous person, LGBTQ or Children of low income family). We explained that we are an all-inclusive association and had no data, however they will be asking about our endeavors to collect this information in our next government submission.
 - This year we have added a new section to our form to be compliant with the new [Personal Information Protection and Electronic Documents Act \(PIPEDA\)](#). You will also see a difference in what information is available with regards to our online Average Book.

This season – Failure to complete the Membership Application Form completely will result in the bowlers request for membership to be rejected. Therefore, the bowler will not be eligible for services or tournaments until a fully completed form is received, reviewed and accepted.

- Returning and new bowlers to your league who have indicated on their Membership Application Form that they are bowling in any other league(s) in your Zone or Decentralized Association should be registered and marked as a **“DUPLICATE”** member in the appropriate league(s).

PLEASE NOTE: The Duplicate Membership Policy is as follows; “If a bowler is bowling in two (2) or more leagues in the same Zone Association **PLEASE** make sure they are registered in one (1) of their leagues and marked as a duplicate in any other league(s) in the same Zone Association. The same applies for anyone bowling in two (2) or more leagues in the same Decentralized Association.

However, if a bowler is bowling in two (2) or more leagues in a different Zone or Decentralized Association, that bowler must be registered separately in each Zone or Decentralized Association. **Example: If someone bowls in a league at Stryx in the Niagara Peninsula Association and in another league out of Kingsway, a Decentralized Association, that bowler would have to purchase two (2) separate memberships, one (1) in the Zone and one (1) in the DC and they would not be considered a duplicate member. Note: DC members are NOT considered duplicate members in their respective Zone Associations and, therefore, are subject to payment of appropriate dues.**

- Any **“NEW”** bowler(s) joining your league should be added to the **New Members List (new league members only)** we have provided.
- On your league membership list, please register **all league bowlers** by marking a **“T”** for **TOURNAMENT**, **“R”** for **REGULAR**, **“S”** for **SENIOR, SOO/BLIND LEAGUES ONLY** or **YBC (Under 18)** in the membership category column as per your leagues choice.
- Any **YBC GRADUATES** should be indicated on the **New Members List (new league members only)** by marking **“GRAD”** in the **“YBC GRAD”** column.
- To indicate a **“DUPLICATE”** member, simply mark an **“X”** in the Dup. column on the membership list we have provided.
- In the gender column provided on your membership list please register **all league bowlers** by marking either an **“M”** for **MALE** or **“F”** for **FEMALE**.

We ask that you either **PRINT** or **TYPE** all information making sure it is legible to read. This will help avoid any unnecessary spelling errors. If you are in doubt as to the spelling of a bowler’s name in your league, please check with them first before you submit your League Membership Registration List.

After you have completed your league membership list and have the corresponding Membership Application Forms (**that have been filled out completely**); please forward them **IMMEDIATELY** to your Zone or Decentralized Association Membership Chair. They will ensure all of the forms are complete. They will return any forms that are missing information or forward them to the person responsible for date entry who in turn will forward the original copies to the Provincial Office.

Please Note: ONLY NEW REGISTERED MEMBERS will receive a C5 Registration number and card. The registration numbers are being generated by the Canadian 5 Pin Bowlers’ Association.

If you have any questions regarding any of the above, please do not hesitate to contact your Local Zone or Decentralized Association Membership Chair.
