January 6th 2020.

Dear President,

The O5PBA has been approached by Macgregors Meat & Seafood with a potential Fundraising opportunity for your Association.

For close to 20 years Macgregors Meat & Seafood Ltd. has been helping keep active hungry families across Ontario fed with high quality meat & seafood while raising essential funds for teams, organizations, schools and charities. They make fundraising easy with great products that people want, and the returns you need.

Attached you will find the Criteria and their product menu for their Meat & Seafood products.

Kindly review with your Members, and discuss if you wish to proceed with this potential opportunity, and if so please reply to Macgregors Meat & Seafood directly with your purchase requirements.

Information is attached in the provided Attachment pages.

Thank you for taking the time to review this opportunity and we hope it will benefit your Association.

Regards,

Neil Anderson
Fundraising Chair
Ontario 5 Pin Bowlers' Association
